

[Faint, illegible handwriting, possibly bleed-through from the reverse side of the page. The text is mostly obscured by a large, hand-drawn orange scribble.]

[Handwritten notes on the right page. At the top, the word "Vo" is written in a stylized, outlined font, with a diagonal orange line striking through it. Below this, there are several lines of dense, cursive handwriting, which are mostly illegible due to the style and overlapping lines.]

VÔ

Parabéns pelo seu
dia:

que após esse dia,
a sua vida possa ser
como a vida de
um pássaro, livre.

Que Deus lhe dê
uma lembrança especial.

São pura, quanto o
mel das abelhas.

Um beijo.
